

THANKSGIVING DAY.

Proclamation Issued by Governor Wells Yesterday, Designating Thursday, Nov. 26.

Governor Wells has issued a proclamation designating Thursday, Nov. 26, as a day of thanksgiving for the people of this State. The proclamation is as follows:

The people of Utah ever appreciative of the continued rich blessings of nature vouchsafed in our glorious climate, in the fertility of our soil and the treasures of our hills, in an abundant yield as a return for our labors in the fields, upon the ranges, in the mines and manufactories and profoundly grateful for the enlargement of our civil rights in being admitted to the Union as a sovereign State, acknowledge with reverence the all-wise providence that has been over us; and that we may give proper expression to the gratitude of our hearts in such manner as shall be most fitting.

Therefore I, Heber M. Wells, governor of the State of Utah, in pursuance of law and in conformity with the proclamation of the President of the United States designating Thursday, November 26, as a day of thanksgiving and prayer, do hereby request the people of this State upon that day to forego their customary labors and pursuits and assemble in their several places of worship and at their fireside altars to praise the Giver of all good and to further honor the day by remembering the poor and the unfortunate by acts of charity and good fellowship.

In testimony whereof, I have set my hand and caused the great seal of the State to be hereunto affixed this ninth day of November, [SEAL.] in the year of our Lord One Thousand Eight Hundred and Ninety-six and of the Independence of the United States the One Hundred and Twentieth and the first year of the State of Utah.

HEBER M. WELLS.

By the Governor:
JAMES T. HAMMOND,
Secretary of State.

CHIPS.

If any of the newly elected officials need any one to assist them in the discharge of their duties, and have not had any applications for a place, we advise them to put an ad in the *Broad Ax*, in the want column. This is on the quiet, you know.

PRESIDENT CLEVELAND has issued a thanksgiving proclamation; it came the day after the election, when it was known that McKinley had won. That was a very proper occasion for Grover to give thanks. His party was victorious, and England at last won on land and sea by the sufferance of his Excellency.

Last week the *Tribune* erroneously stated that the law required the successful candidates to file a sworn statement of their campaign expenses. The law requires all candidates whether successful or not to file such a statement within 30 days after the election. A failure to do so constitutes a misdemeanor and subjects the offender to a fine or imprisonment. All campaign committees are also required to make a similar statement.

S. B. NEWMAN.

OPPOSITE THEATRE.

SENATOR ARTHUR BROWN will be one of the biggest men in the whole west under the McKenna administration. He will stand as the lone tree of the intermountain region, true and faithful to the successful goldbug party. Doubtless his hand will be seen and felt in the distribution of Federal patronage, not only in Utah, but in a good many of the adjoining States and Territories. After the 4th of March next it will be a wise thing for all who want Postoffices, etc., to make the acquaintance of the Senator from Utah.

This Senatorial arena is being filled with brave gladiators, all anxious for the contest which will open up next January, provided the court house janitors and the great defeated candidates do not succeed in annulling the election law. There are some good candidates spoken of, some rather indifferent, and some very poor. It requires something more than a campaign worker or dress parade politician to possess the proper equipment for a United States Senator. We trust Utah will send a well balanced man to the Senate.

This winter is at hand with its usual biting severity on the poor and needy. This season promises to be one wherein those charitably disposed will have an enlarged field for their good work. Our city has a large share of unemployed men and women, who have been reduced to their present condition by the grace of the glory of "sound money," and the "gold standard," and who can see no ray of hope under the McKinley administration, which is to be. God pity the poor, for they will get no aid or sympathy from McKenna-ism. It will be our duty to do our best to alleviate the ills of these unfortunates.

I now call your attention to the superior quality of the Evanston coal. For the range, grate and furnace it has no equal. No soot! no slate! no rock! no slack! no clinkers! Lamp, \$4.50; nut, \$4.25; pea, \$2.75. Send me a trial order. J. W. Whitehead, Jr., agent, anti-combine dealer, 206 South Main street. Telephone 224, 2 rings.

In looking over the election returns during the past week we noticed that the member of our race who was nominated for the State Legislature of Arkansas by the Democratic party was elected. The above little item of news ought to be sufficient to convince all fair-minded men to this one simple fact, namely, that the Democratic party is not the natural foe and enemy of the negro race. Yet friend Bill, of the *Plain Dealer*, who does not know as much about politics as a hog does about running a Sunday school, is so simple-minded that he really believes that all the members of the Democratic party are negro haters, and the new Moses also believes that all cutthroats and horse thieves are Democrats; but the would-be lawmaker is afraid to say that all Democrats are horse thieves and cutthroats.

CHURCH NOTICE.

St. Mary's Cathedral Sundays.—Divine services: First Mass at 8 o'clock; second Mass at 9 o'clock; Sunday school at 9:30 a. m.; High Mass and sermon at 11 o'clock; Vespers, benediction and sermon at 7:30 p. m.

Visitors From Abroad.

In Nantucket visitors from the continent are classed as "off islanders," while at Block Island they are "from abroad." It rather astonished a recent visitor to the latter place to hear that the guests were all "from abroad," but his surprise was somewhat modified when it was explained that these people from abroad were mostly from New Bedford and Fall River.—Boston Transcript.

Saving the Glass.

There would be very few windows broken if they waited for the man without sin to cast the first stone.—New Orleans Picayune.

Have the Designer's Initial.

It is said that the \$20 and the \$3 goldpieces and the Bland dollar are the only coins perpetuating the designer's name. Underneath the lower line of the medallion on the obverse of the goldpieces is J. B. L. (James B. Langacre). In nearly the same position on the obverse of the Bland dollar is the letter "M." It also appears on the reverse upon the left fold of the ribbon uniting the wreath, being the initial letter of Morgan.

Women and Legislation.

Women today are crippled in the performance of purely domestic duties by their exclusion from direct participation in legislation, crippled exactly as miners, weavers, machinists, farmers, lumbermen and merchants of the male sex would be were these classes disfranchised.—May Wright Sewall.

About the Same.

Killem—I suppose if your wife died she would leave you a good deal, eh? Valentine—About the same as now. She leaves me all winter for Paris and all summer for Newport as it is.—Town Topics.

An Exception.

"It is claimed that love levels all things," sighed Mrs. Grumpy. "But no one in the world ever saw a lover with a level head," sneered Grumpy.—Detroit Free Press.

SUMMONS.

In the District Court of the Third Judicial District of the State of Utah, County of Salt Lake.

Hattie L. Beames, Plaintiff, vs. Edwin J. Beames, Defendant.

The State of Utah sends greeting to Edwin J. Beames, Defendant:

You are hereby required to appear in an action brought against you by the above named plaintiff in the District Court of the Third Judicial District of the State of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service of this summons—if served within this county, or, if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you, according to the prayer of said complaint.

The said action is brought to have a decree of this court dissolving the bonds of matrimony existing between plaintiff and defendant; awarding to plaintiff the care, custody and control of the minor children, issue of said marriage; and granting plaintiff such other relief as to the court may seem proper; prayed on the ground that since the month of November, 1890, defendant has wilfully refused and neglected to provide for plaintiff the common necessities of life;

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the court for the relief demanded therein.

Witness the Honorable Judges, and the Seal of the District Court, of the Third Judicial District, in and for the State of Utah, this 20th day of October, in the year of our Lord one thousand eight hundred and ninety-six.

You leave Ogden, or Salt Lake, in the evening, and after breakfasting in the sumptuous dining cars of the SANTA FE ROUTE, on the third morning, you arrive in Chicago or St. Louis in season to attend to business or connect with all fast trains for the East. Some one has said recently that the track of the ATCHISON, TOPEKA & SANTA FE railroad was in such perfect condition that the long distance run of the "Flyer" on the New York Central could be equalled, if not exceeded, by its magnificent trains.
